

Ensemble Health Partners Selected as Full Revenue Cycle Outsource Solution for Covenant Health

Cincinnati, OH – July 31 2019. Ensemble Health Partners announced today that it has been selected by Covenant Health as their full revenue cycle outsource partner. As the full outsource solution for Covenant Health, Ensemble will be responsible for the acute and physician front and back-end revenue cycle for the hospital system.

Covenant Health is an innovative, Catholic regional health delivery network and a leader in values-based, not-for-profit health and elder care. Covenant is a three-hospital system with skilled nursing and rehabilitation centers, assisted living residences and community-based health and elder care organizations located throughout New England.

“The daily work of the revenue cycle operations – and freeing the resources to support care delivery – is one of the factors that will differentiate thriving health systems in the future,” says Judson Ivy, CEO, Ensemble Health Partners. “We are excited to partner with an organization like Covenant Health that shares our strong commitment to improving healthcare.”

“Now, more than ever, it is essential that we work efficiently and effectively to ensure a positive patient experience throughout every point of the care process,” said Stephen Grubbs, Covenant Health President/CEO. “The Ensemble team brings industry expertise to the daily work of recognizing and collecting revenue – and freeing resources to support care delivery. This partnership will help us establish an efficient, integrated, and aligned Revenue Cycle that delivers best practice services.”

“Both Covenant and Ensemble have a long-standing tradition of providing quality service to associates, patients and providers,” said Shannon White, President, Ensemble Health Partners. “We look forward to the opportunity to help make healthcare easier for those who work in healthcare and those who need services.”
